6:00 PM	Grand Master's Banquet Installation of Officers
9:00 PM	Hospitality Room

Welcome to Sioux City!

Birthplace of High Twelve

Lady Janet and I are pleased to welcome you to Sioux City and the First Century Celebration of High Twelve International. Many have traveled a long way for several days to be here and we appreciate it.

A schedule has been selected to assure that you will have a good time and learn about this area and its people. Delicious meals have been arranged. Hopefully, our meeting will be short and meaningful with much to celebrate on our 100th Anniversary.

If you have not elected to join us for the wreath laying ceremony at the gravesite of our founder, it is not too late. Private vehicles will follow our Trolley Bus to the cemetery which is only about 5 miles from our hotel.

Our Hotel. What amenities and at a fair price! We hope you take advantage of all that is offered here. We know that your room will be a delight. Our Hospitality Suite is on the top floor and will be open every evening. We hope you spend some time here as we do not want to have to take any food home. Your International President already has an International Waist Line.

Wait until you attend our two banquets! On Friday, our Master of Ceremonies, Brother Matthew Dupee will be poking fun at yours truly and on Saturday I will get a chance to introduce three Grand Masters.

These are just a few of the highlights of our Convention. We hope you have fun, learn about High Twelve and enjoy your time here. If you need me, I am available by cell phone at 215-280-8013 and Lady Janet can be reached at 267-475-0453.

We have produced a keepsake gift for you and will be pleased to present it to you. Please seek us out and receive your gift from the 100th Anniversary Convention.

Fraternally,

Jay J. Hamilton

International President 2020-2021

Celebrating 100 Years

Jerry J. Hamilton

International President

The History of High Twelve International 1920-1960 was written by Louis P. Black, Past International President, 1974-1975 and Karen Thure, a professional writer from Tucson, Arizona. Brother Black and Ms Thure were assisted in their work by the research of Brother Darven L. (Paddy) Paddock. It was updated and published by High Twelve International in 1989. This booklet is available in full on the High Twelve International Web Site. The completion of the History was published in the High Twelvian Spring Edition of 1990.

Permit me to review for you a few highlights.

You smile as you begin to *tell how you lost two balls on hole three. Even if your story's not that funny, -you're sure it will get a good laugh: You're at High Twelve where everybody knows you- where everybody High Twelve feels more "right" than any other club you belong to-it's the informal Spirit of Masonry in Action.*

It's been that way since August 17, 1921, when High Twelve's founder E.C. (Wallie) Wolcott sat down with a group of friends and brainstormed club ideas in his office in the YMCA in Sioux City, Iowa. Wallie was the Y's General Secretary, so *his office must have been rather r oomy, probably on the first floor of-the three story building.*

Our Founder said:

"Brothers, the growth of High Twelve is your responsibility.
No one outside your group or your community can do the job for you. Without unstinted service to our fellow man, we face the prospect of Moral Darkness.
And so ..
All Ye Masons of the High Twelve Spirit
Be on guard while it is day!"

Edgar C. Wolcott was born on April 22, 1881. He was thirty nine years old when he invited nine citizens of Sioux City into his office to brainstorm the founding of our now centuries old organization. Several of the invitees complained that they were unable to join clubs like the Lions or the Rotary because of the profession related membership restrictions. Wallie noticed that every invitee wore a lapel pin designating them as Master Masons. In hindsight we realize that Master Masons were also not eligible for our Fraternity's Social Organization, The Ancient troP;~S-, Arabic Order Nobles of the Mystic Shrine unless they were also Members of the Scottish Rite or Knights Templer. (This has been changed in recent years.)

E. C. "Wallie" Wolcott Founder of
HIGH TWELVE INTERNATIONAL

~ Wallie knew the ins and outs of club building having been an early member of both Sioux City Lions and Rotary, and as a member of his Blue Lodge and Scottish Rite

The emblem of High Twelve was designed by L.W. Howe, an 18 year old friend of our founder.

The Following pages display the portraits of the living Past International Presidents who have contributed to the transportation for the Wreath Laying Ceremony.

MONTEBELLO MASONIC HIGH TWELVE CLUB #422

Our Club was chartered fifty-three years ago on Saturday, February 10, 1968, with thirty-five Montebello, CA Masons. Charter president was E. Leonard Carpenter.

We meet Second Wednesdays at a restaurant. We hold an Annual Party at Christmas. There are two main functions of the Club in serving the community. We award three high school graduating seniors $350 each in honor of long-time member Jack L. Lowry. Funding is covered by Club members and friends.

Then ten times a year, at a luncheon in the student's honor, with their family and the school principals of Montebello, Schurr, or Vail High in attendance, a Student of the Month Award* is presented. We provide a plaque recognizing the occasion; place their name on the perpetual plaque at their school. Their bio and picture appear in a local newspaper. Montebello-Whittier Masonic Lodge #323 covers all expenses and receives monthly updates at all Stated Meetings. Our student choices appear in our Trestleboard.

Students receiving scholarships from Montebello

Annual Luncheon
Marriott Hotel
South Sioux City, Nebraska
June 26, 2021

Jose Romero is a first generation college student and native of Denver, CO. His family has resided in the U.S. Southwest since the region was under the sovereignty of both the Spanish Empire and Mexico.

His inspiration to become a public servant was largely influenced by his family's undying commitment to social justice and their leadership in the Chicano Civil Rights Movement of the 1960's and 70's. As an undergraduate student, Jose Majored in Political Science with Minors in Sociology and History at Metropolitan State University of Denver. He graduated Summa Cum Laude with a cumulative 4.0 GPA. Through a program at his undergraduate institution in the Chicano Studies Department, Jose mentored at-risk youth in the Denver Metropolitan area, an opportunity that allowed him to serve as a leader at his old high school. Jose is pursuing a Master of Public Administration Degree with concentration in National Security and Foreign Affairs at George Washington University. He worked in the Department of Homeland Security with U.S. Citizenship and Immigration Services from 2018, to May, 2021. He now serves on assignment with the Office of the Inspector General, and will be returning to the Department of Homeland Security in August.

Heather Johnston currently serves as Senior Vice President for Executive Recruitment for Strategic Government Resources (SGR). In that capacity, she has also served as Interim City Manager for Chanhassen, Minnesota, prior to joining (SGR).

Heather has over twenty years experience in government and non-profit sectors. She served as City Manager and Director of Administrative Services/CFO for the City of Burnsville, Minnesota

Johnston also served as the Director of Management and Budget for the City of Minneapolis for over seven years. Johnston has experience at the state and federal levels, including at Minnesota Management & Budget and the U.S. Office of Management and Budget. Heather has served on a number of boards, including as the current Treasurer of the National Civic League Board and Twin Cities Urban League Board member, and former President of the Government Finance Officer's Association (GFOA) in 2015-2016. As GFOA President, Heather convened a task force that focused on recruitment and engagement of public finance employees so the finance function can be more integrated in making the work of government effective and innovative. Heather holds a Master's in Public Administration from The George Washington University in Washington, D.C., and a BA in political science and communication from Augsburg University in Minneapolis, Minnesota.
