Brethren & Ladies,

Due to technical problems beyond our control and Internet Services repair delay due to Hurricane Irma, the September Monthly Update will not be published. We will combine the news from September and October and publish the combined issue around the end of September.

We would appreciate the International Officers submitting their articles and photos to me at [mjhi12@centurylink.net](mailto:mjhi12@centurylink.net) prior to September 20th.

**Associations, Clubs and members** are also encouraged to send articles and photos by September 20th also, now that meetings are now getting underway. We especially enjoy receiving articles about events, Awards and club news. Remember, anyone can submit articles and photos and the more the merrier.

When sending photos, please send separately as an attachment to your

article, including the event title and if members included, list the names from left to right. In the event it is a group photo just list the event title.

**Wolcott Trustees** are also encouraged to submit article about their visits and functions and news about the club's contributions.

We regret not publishing the September Issue but it is beyond our control and because of the damage from the Hurricane, service will be slow to correct the problem.

Fraternally,

Merv Harris, PIP

Editor, Monthly Update
