Publication Update: Brethren, beginning in the month of December 2016, the Monthly Update will be published about the 10th of each month. Many articles submitted come from the Trestle Boards of the Lodges and Association Newsletters. We have been attempting to publish by the 1st of each month but the articles are submitted just after the 1st, so many of the articles are news or information from the previous month.

By publishing around the 10th of the month, we will be receiving more current news. Please submit your articles and photos by the last day of each month and that will give us time to make our new publication date. Thank you for your support and assistance and keep those articles coming. Without them, we will not have a good newsletter. Anyone can submit an article and photos and the more the better. Thank you again, Merv Harris, Editor.

International President Dr. Ronald W. Woods, PSP (IN):

Well another month has come and gone and we are still here. This coming Wednesday October 26th I have been asked to be the speaker at the very active High Twelve Club at the Indiana Masonic Home. Then on Thursday I will be traveling to the Mid-Year-Meeting in Des Moines (NCA) Iowa for their Annual Meeting.

For those that do not know during Jerry Saville and my meeting with the Grand Masters to set up a display and to talk with as many Grand Masters as Jerry and I could. Jerry was able to make more direct contact with the Grand Master in Hawaii and in January 2017 Jerry will be attending the first meeting of a new High Twelve Club there and presenting them with their Charter and installing their New Officers. Take some pictures Jerry!

I have now studied the Northern Kentucky (across from Cincinnati) Masonic Lodges and find that there are five of them very close together. Actually three of them meet in the same building. Plans are to contact the Secretaries and Masters of each Lodge and make arrangements to visit and promote High Twelve to them. They represent over 800 brothers and I feel we should be able to locate a few brothers interested in developing a New Club there. If we are successful, we will then move on to Lexington, Kentucky. Fraternaly, Dr. Ronald W. Woods.

The HIGH TWELVIAN

Will Be Mailed 11/16

International 1st Vice President William Haynes, PSP (PA):

Create Lasting Relationships with like minded individuals is listed by the Shrine as one of the advantages of being a Shriner. It is directly applicable to High Twelve also. Bonding is frequently described as sharing a common core of experience such as boot camp or basic training. When we join the Masonic Fraternity, we are joining a group of like minded individuals. The same with joining High Twelve!

The point I am trying to make is that by being an active participant in High Twelve, we will be creating lasting relationships. In my opinion, it is easier in High Twelve because of the relaxed atmosphere, dining and no ritual. I have wondered why I enjoy High Twelve so much and it is the creation of the lasting friendships with like minded individuals in such an atmosphere. I find it to be totally pleasurable and I hope you do also. Fraternally, William Haynes.

International 2nd Vice President Joseph Santisteban, PSP (IL):

Greetings fellow High Twelvians. Despite my busy schedule, I've been able to visit with the High Twelvians in my area. I also had the honor to install the new officers of the Middle Chamber High Twelve Club early in October. We're still working on the possibility of starting a new club in Illinois. We have a bunch of good Brothers out there who are willing to give of their time and talents to make our organization work and represent Masonry in a positive light.

By the time you read this newsletter, I will have attended the North Central Association Mid-Year-Meeting in Des Moines, Iowa, along with our International President. This is my first trip to that neck of the woods and I'm looking forward to it. I attended a meeting in Wisconsin the other night and two of their officers asked me about High Twelve. I had a Petition with me and left it with their Secretary. You never know what may come out of that interaction.

Photo Above: International President Dr. Ronald Woods and 2nd Vice President Joe Santisteban, at the North Central Association Mid-Year-Meeting.

The following was sent to me by a Brother and I thought it was worth sharing: The tribal wisdom of the Dakota Indians, passed on from generation to generation says that, when you discover that you are riding a dead horse, the best strategy is to dismount. However, in government, more advanced strategies are often employed, such as:

1. Buying a stronger whip. Changing riders.
2. Appointing a committee to study the horse.
3. Arranging to visit other countries to see how other cultures ride dead horses.
4. Lowering the standards so that dead horses can be included.
5. Reclassifying the dead horse as living-impaired.
6. Hiring outside contractors to ride the dead horse.
7. Harnessing several dead horses together to increase speed.
8. Providing additional funding and/or training to increase dead horse's performance.
9. Doing a productivity study to see if lighter riders would improve the dead horse's performance.
10. Declaring that as the dead horse does not have to be fed, it is less costly, carries lower overhead and therefore contributes substantially more to the bottom line of the economy than do some other horses.
11. Rewriting the expected performance requirements for all horses.

I encourage everyone to get out and make things happen, and stay away from dead horses. I hope to see many of you during my travels. As always, stay safe, have fun and take care of each other! Fraternally and Respectfully, Joe Santisteban.

International Secretary Kevin Hokerk-Robinson, PSP (AZ):

The Fall Season has finally arrived! And for many clubs this is the time to start collecting Dues for the next year. Help your club meet its obligations and renew your membership now! Club Secretaries do you have Dues Cards for the next year? If not, place an online order, email or call the International office; but remember to provide the period the Dues are to be good for.

As this is being written the Fall Edition of the High Twelvian is being put together and should be to the printers the first of November with delivery to members the third week of the month. To those that submitted articles thank you! If you missed this edition the Spring Edition deadline will be March 1, 2017.

The Fall High Twelvian will have information on the **2017 Mid-Year-Meeting** that will be held on Monday, **January 23, 2017** at the Orleans Hotel & Casino in Las Vegas, Nevada. This information is currently available online via the International Website events.

Do all of your club members that have email receive this publication directly and not forwarded? If they are not then the International office does not have their email address! This can be resolved easily by having them email the International office at secretary@high12.org and it will be taken care of. We currently have email address for

only 38% of our membership and I do believe we can and should do much better. Be assured that High Twelve International does not sell, lease, rent, loan, etc., members contact information.

The **EVENT** list on the International website is not being utilized by clubs for those special events (yes, information can be targeted to specific clubs or the whole association) and Associations are providing information for their Annual Conventions or other meetings. Take advantage of this opportunity to let all High Twelvians know what is going on!

WELCOME NEW CLUBS!

Congratulations to our newest foreign club that will be chartered **November 14, 2016** in Rome, Italy! **Roma High Twelve Club #779** will be the first club chartered in Italy. Take a moment to congratulate Brother Carmelo Cutuli and the members on this effort at Carmelo.cutuli@icloud.com.

Then on **November 22, 2016** we hope to charter **Liberty High Twelve #780** in Philadelphia, PA. Brother Steve Morrison is heading up the effort there and he can be contacted at philascottishrite@gmail.com

After the first of the year **West Hawaii High Twelve Club #781** will be chartered on the Big Island in Hawaii on 1/25/17. MWB Mike Baker, PGM Hawaii at mike.baker.sr@gmail.com is the organizer working with Jerry Saville, PIP.

That's all folks. Kevin.

Wolcott Foundation Zone 3 Trustee Stanley Gardner (PIP) (CO):

With this being the start of the Holiday Season, it is always good to say Thank You for all that has come our way in the preceding months. As a Trustee of the Wolcott Foundation, I wish to thank all the members, clubs, friends and supporters of Wolcott for their continued donations of money and time. Without this type of dedication, the Trustees would not be able to present Fellowships, to deserving young people each year, for their continued education at George Washington University. These young people are the future of America and the better educated they are, the better foundation for good government for our nation.

Once more, thank you, thank you, to all supporters of the Wolcott Foundation. No amount of a donation is too small, as Warren Bolton was so fond of saying: Send Money. Fraternally, Stanley A. Gardner.

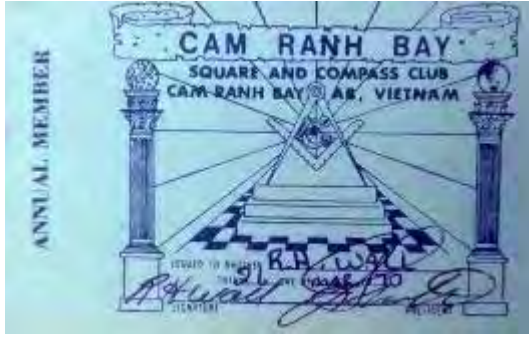

Colorado High Twelve Association, Denver High Twelve Club #11:

Editor's Note: Brethren, This is the most interesting article I have received in the nine

years I have been the Editor of the Monthly Update. When I read the article, I couldn't believe they had a High Twelve Club in Viet Nam. When I was stationed there, I never heard about any Masonic organizations that were in existence. Here is the article.

Brother Merv,

I recently came across my membership card for my High Twelve Club, while stationed with the Air Force at Cam Ranh Bay Air Base, Viet Nam, from November 1969

to November 1970. I don't remember how many members we had in the club as it has been 46 years this November. I left from Davis-Monthan AFB, Tucson, Arizona and returned to Charleston AFB, SC. I am currently a member and 2nd VP of the Denver High Twelve Club and Aurora Lodge 156 in Aurora, CO. Fraternally, Richard Wall, Msgt. USAF (Retired.)

Richard, This is the most interesting article I have received in the 9 years as Editor of the Monthly Update. I am going to forward it to the International Secretary, who will run it in the next issue of the High Twelvian. Can you send me a current photo, so we can include it in the article. Merv Harris

Brother Merv, I found a then photo August 1970 at Cam Ranh Bay and a now photo, Aurora, CO, October 2016. I was in Accounting and Finance Career Field, hence the office environment in the picture. Hope they are what you asked for in your email. Rich

Bro. Wall, I wanted to let you know that your submission will be used the fall edition of *The High Twelvian*.

Now for a bit of my history, my father and I were both Past Presidents of Roadrunner High Twelve Club #478 [closed 12/30/00] that met at the 'old' NCO club and later the new Officer's Club at DMAFB. I was also club secretary for about 10 years before moving to Phoenix in 1987. In 1982 I was the Arizona Association President and now into my 5th year as International Secretary. So, yes indeed it is a small world!

Thank you for your submission! Kevin Hokerk-Robinson, Secretary, High Twelve International, Inc.

California High Twelve Association, Oakland High Twelve Club #2:

Meets on the fourth Monday of the month at the beautiful Oakland Scottish Rite Center in Oakland, California at High Twelve.

On their meeting of October 24th, a very interesting program was presented by *Dr. Pam Norton, PhD. Director of the Oakland Scottish Rite Language Center*. Dr. Norton informed us that they are currently treating some 45 individuals per month with some form of learning disorder, most with face to face evaluations and training, but others through the internet or social media, thus allowing the center to help more individuals overcome their learning obstacles. Dr. Norton advised us that they are using a more modern approach to identifying the root causes facing the individuals including identifying that part of the brain that controls the deficiencies that hampers the individuals ability to learn, be it memory, speech impairment, spelling or reading, etc.

Her talk was very well received and most informative. We commend the Language Centers for their inventive and most well-meaning approach to helping the learning disadvantaged.

(Left) Dr. Norton receiving a Certificate of Appreciation from (L to R) Past State President and Past Club President Cleveland Valrey; *Dr. Norton* and Past Club President Loren Piper; Program Chair. Article submitted by Howard Roberts, PCP, Club President and Spencer Sargent, PSP, Club Secretary.

Fresno High Twelve Club #10: Chartered March 21, 1927: Brethren, the November meeting is traditionally our meeting where we install our officers for the ensuing Masonic Year. Malcolm White and his wife Carol will travel here from Bakersfield to install our officers. Malcolm is also the Chairman of the Wolcott Foundation and he is also a member of Fresno High Twelve Club No. 10. We look forward for Malcolm and his wife Carol to attend our meeting on November 1, 2016. I hope all of you received a copy of the installation program that I emailed to our members who have email addresses. I will attach the program and mail it to local people on our mailing list that do not receive email. Please note that we have several positions that are vacant for 2016 - 2017. We regret that we were unable to fill these positions. Jack Farson Secretary/Editor

Florida High Twelve Association, Villages High Twelve Club #674:

The Villages High Twelve Club will be hosting a Prime Rib Dinner on Friday, November 18th at the Ocala Shrine Club. All the Masonic Bodies in the area have been invited to attend. Those attending have the opportunity to have the Prime Rib Dinner or can order off the menu. The goal is to have approximately 100 people in

attendance. The club hosts a dinner every 6 to 8 weeks in the Fall, Winter and Spring months. We sometimes have entertainment along with the dinner, which the members and guests enjoy.

The club Installed their 2017 officers at the meeting on November 2nd and then enjoyed a great Turkey Dinner with all the trimmings. There were 36 members and guests present.

Photo: (left to right) Merv Harris, PIP installed the officers; Center Frank Charlton, President; and Tom Pickett, Vice President.

Our officers and members hail from around the country. Merv is from Washington State, Frank is from Pennsylvania and Tom is from Maryland. They are all Military Veterans. Merv is Retired Army, Frank is prior Navy and Tom is Retired Air Force.

Approximately 70% of the members are prior service and enjoy razing each other about which service is the best.

Port St. Lucie High Twelve Club #611:

Recently, several members of Port Saint Lucie Florida High Twelve Club, went out to Okeechobee, Florida, to visit at the Real Life CHILDREN'S Ranch. We have long supported this organization for all that it does to help distressed children.

They have four homes on-sight and are building another. Each home has a husband and wife couple who serve as surrogate parents to the children assigned there. Boys are in one house and girls in another. The children attend local schools and participate in sports and clubs.

The children live in a real life family situation, some for the first time in their lives. They each have responsibility for their personal space, plus they have assigned chores to do. The ranch has animals that require care and gardens that need tending. The children range from age 5 to 17 and learn real life skills that will prepare them for life after their time there.

This organization has been on-going since 1957. Many of the children go on to advanced studies beyond high school. We are proud of this organization and pleased to be able to help support it as a worthy charity. See photo above of those attending the visit. Respectfully, Jack Lagerquist, Past President

Illinois High Twelve Association, Moline High Twelve Club #88:

Have you asked a fellow Master Mason to visit your High Twelve Club? This method is the best way to keep your club going. We'll have 3 meetings in NOVEMBER. Meeting dates are 4th, 11th and 18th. There is no meeting on NOVEMBER 25th, the day following Thanksgiving. All meetings are at DENNY'S RESTAURANT, 2601 52nd Avenue, Moline. Try to come about 11:00 AM and have time to eat and enjoy the fellowship before the program at noon (High Twelve). Ladies and guests are always welcome.

How about some humor? A woman at home on the veranda, sipping wine, sitting with her husband says: I love you. He asks: Is that you or the wine talking? She replies: It's me talking to the wine.

The other night I was out for a dinner and drinks with friends. After having far too much to drink, and knowing full well I was wasted, I did something I've never done before. I took a bus home. I arrived home safely and without incident, which was a real surprise, as I have never driven a bus before.

Belleview Area Masonic High Twelve Club #35:

We meet Fridays at Noon. Our club is striving to keep our present members and always looking for new members. Our recent elections were held at the end of August and President Charles Coffey attended our ladies night meeting and installed the new officers in their positions. Gene Hardesty a fairly new member was installed as club President, another new member, Allen Erb was installed as Vice President. Jim Morris was installed as Secretary/Treasurer, Steve Hermanson as Masonic Representative, Kenny Rogers as Chaplain, and Rich Dasher as Sergeant-at-Arms . We are honored to have another one of our members in the State line, Steve Hermanson was installed at the State Convention

in August as Third State Vice-President. Congratulations Steve! We also would like to congratulate President Coffey on his election to State President, and to all the other State officers on their advancements.

We still Donate to four local food banks every quarter, for a total of \$400.00 a year. We have been struggling to find an acceptable meeting place. The old place closed up and we have been bouncing around until we met at Eckert's Restaurant and they are happy to work with us. We are now working on getting guest speakers and entertainment lined up for our members. We meet every Friday at noon but most members show up at eleven thirty to get their orders in before the meeting begins. If you're ever in Belleville on a Friday, by all means drop in, we would love to have you at our meeting. Fraternally, Jim Morris Secretary.

Can you guess why the members and residences of this State are Happy?

Cornerstone High Twelve Club #772:

Greetings Brethren. Cornerstone continues to have robust and informative meeting at the Golden Corral. We are getting ready for the holidays and several members will be hosting Service men & women from the Great Lakes Navy Base. We feel it is important to help those who protect us and cannot be with their families at this time of year. We continue to support the Wolcott Foundation as well as Toys for Tots, Veterans Closet and Dogs for Vets.

I had the honor of presenting The High Twelvan of the Year to Brother George Rogers from Northwest Club during my visit as Second Vice President. Thanks to Brother John Peter Curielli and the entire club for being wonderful host to both myself and spouse Lisa. Don Van Cleave, Secretary Treasurer. We wish everyone a

fun a safe holiday season.

Masonic Humor: A young Entered Apprentice was being tested on his proficiency. After going over the signs and passwords, he looked at his tester and asked, I noticed several of the older members sticking their fingers in their ears and whistling. What does that sign mean? That's not a sign, his tester said, Those are Past Masters adjusting their hearing aids. Fraternally, Mark D. Nokes, President.

Rewards from the 'incentive plan' are numerous, however, the top reward is that High Twelve will be significantly benefited. This month new officers will be chosen for 2017 on November 16, 2016. Again, those willing to serve should contact me or the Secretary, Brother Richard Anderson.

Humor:

Can anyone tell the difference between 'Complete' and 'Finished'?

No dictionary has ever been able to define the difference between 'Complete' and 'Finished.'

However, at a linguistic conference, held in London England, Samsundar Balgobin, a Guyanese, was the clever winner.

His final challenge was this. Some say there is no difference between Complete and Finished. Please explain the difference in a way that is easy to understand.

His response was: When you marry the right woman, you are *Complete*. If you marry the wrong woman, you are *Finished*. And, if the right woman catches you with the wrong woman, you are *Completely Finished*.

His answer received a five minute standing ovation...

-
1. My mother taught me TO APPRECIATE A JOB WELL DONE. If you're going to kill each other, do it outside. I just finished cleaning.
 2. My mother taught me RELIGION. You better pray that will come out of the carpet.
 3. My father taught me about TIME TRAVEL. If you don't straighten up, I'm going to knock you into the middle of next week!
 4. My father taught me LOGIC. Because I said so, that's why...
 5. My mother taught me MORE LOGIC. If you fallout of that swing and break your neck, you're not going to the store with me.
 6. My mother taught me FORESIGHT. Make sure you wear clean underwear, in case you're in an accident.
 7. My father taught me IRONY. Keep crying, and I'll give you something to cry about.
 8. My mother taught me about the science of OSMOSIS. Shut your mouth and eat your supper.
 9. My mother taught me about CONTORTIONISM. Just you look at that dirt on the back of your neck!
 10. My mother taught me about STAMINA. You'll sit there until all that spinach is gone.
 11. My mother taught me about WEATHER. This room of yours looks as if a tornado went through it.

As she started to put her belongings back into the purse, the man continued, I hope you don't mind if we watch. Even though we all tried, none of us could fit everything into your purse... and we'd like to see just HOW you do it.
