

## **Wolcott Foundation Selects 2018 Fellows** 3/2018

The Board of Trustees of the Wolcott Foundation proudly announces the selection of its Fall 2018 Wolcott Fellows at George Washington University(GWU) in Washington, DC.

The Foundation recently re-negotiated its tuition contract with GWU in an effort to better utilize monies available from the Foundation investments for Fellowships. Each student will now receive \$15,000.00 per year for a maximum of \$30,000.00 for the 40 credit hour Masters Degree Program. This new arrangement allows for better tuition payment budgeting and growth of the Foundations investments.

The Foundation received 63 applications from students from all parts of the United States. The Wolcott Foundation is the oldest, and one of the most prestigious Fellowship granting organizations at GWU. The Foundation has awarded nearly 500 Fellowships since the 1960's. The Board of Trustees has selected the five (5) most outstanding students from the 63 applicants to receive a Wolcott Fellowship.

### **Congratulations to the following 2018 Wolcott Fellows:**
